### Friendly Reminder: Bill HB348 - How does it affect Waukegan Township?

Dear Friends, Family and Supporters,

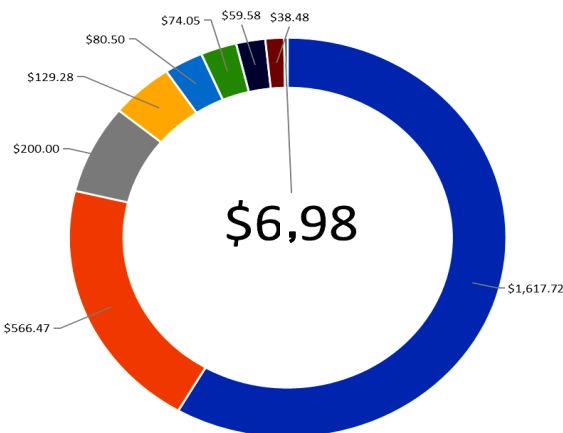

You may have questions regarding Bill HB348. What is HB348 and How does it affect Waukegan Township

On May 16, the Illinois Senate passed House Bill 348, voting 44-3 to send the measure to Gov. J.B. Pritzker's desk, HB 348 would relax requirements for residents seeking to abolish their townships in McHenry County. Under HB 348, each township board of trustees could call a referendum asking voters whether to eliminate their township. If voters were to choose to consolidate the township, the results would be binding and the county would absorb the dissolved township's duties and responsibilities. **Additionally, HB 348 would dissolve all road districts responsible for fewer than 15 miles of road in both McHenry and Lake counties.**

For Waukegan Township, the average effective property tax road district portion is \$6,98. \*The chart on the right breaks down how it's distributed.

This Bill will not affect the services that Waukegan Township provides. We will continue to service over 100,000 Waukegan, North Chicago, Beach Park, and Park City residents. In addition to continuing to provide financial relief to residents in need, Waukegan Township will fund and administer many health and wellness programs for area seniors, transportation to and from doctor appointments, lawn and snow removal, transitional facilities for men and women with children, scholarships for our youth and much more.

**\*Of the \$6,98 Township Road District portion, 50% goes to the Township Road District and 50% is shared with the City of Waukegan, City of North Chicago, Village of Beach Park and City of Park City.**

## New Legislation

### NCOA Low-Income Improvements Included in House Committees' Medicare Part D Legislation

This week, two House committees passed legislation that includes NCOA proposals to make prescription drugs more affordable, particularly for low-income Medicare beneficiaries and those with high out-of-pocket costs. Advocacy efforts to protect and improve the Medicare Part D Low-Income Subsidy (LIS or Extra Help). LIS makes Part D affordable for low-income beneficiaries by helping pay for their prescription drug premiums, deductibles, and copays.

The House Ways and Means Committee, and the House Energy and Commerce Committee, passed legislation that includes eight provisions to improve the LIS program, six of which are included in the Medicare Part D recommendations.

The Title IV of the Lower Drug Costs Now Act (H.R. 3)

**Eliminate copayments for generic drugs** for LIS beneficiaries.

This provision is based on H.R. 2757

**Better educate LIS-eligible beneficiaries** by requiring the Centers for Medicare and Medicaid Services (CMS) to send them a notice that compares Part D plan out-of-pocket costs and provides information on opportunities to enroll in zero premium benchmark plans. This is based on H.R. 4632

**Improve the LIS assignment process** by replacing the current random assignment of LIS beneficiaries whose zero premium benchmark plans are no longer available with an "intelligent assignment" process prioritizing plans with better coverage and lower costs.

**Allow more people to qualify** by expanding the income eligibility thresholds for partial LIS benefits from 150% to 200% of the Federal Poverty Level (FPL) and expanding the thresholds for full LIS benefits from 135% to 150% of FPL. This provision is based on H.R. 4620

**Extend eligibility** to low-income residents of Puerto Rico and other U.S. Territories, who are not currently able to receive this vital assistance.

**Provide for automatic LIS enrollment** by requiring it for all adults who reach age 65 with incomes below 200% of FPL and who were enrolled in Medicaid. This provision is based on H.R. 4661

**Expand eligibility** by eliminating burdensome LIS eligibility asset requirements and streamlining the enrollment process. This provision is based on H.R. 4628

**Exclude certain retirement accounts** from the calculation of assets in determining eligibility. This provision is based on H.R. 4655H.R.

turns it into a full-body workout that will leave you smiling, sweating, and feeling great. Cardio drumming brings together drumsticks, an exercise ball, and an exercise ball stand to create one of the most fun workouts you'll ever do. Using the exercise ball and the floor as your drum, and mixing in fun moves, cardio drumming turns keeping a rhythm into a workout you won't want to stop. One-time \$5 fee. Thursday at 11:00 a.m.

### Chicago Line Dancing

Waukegan Township extends our heartfelt condolence to the family of **Harriet Brague**. Harriet passed away peacefully on Sunday, October 13, 2019 in Pleasant Prairie, Wisconsin. She was born in Sparta, Wisconsin on September 24, 1929. Harriet was and avid member of Our Lady of Humility Church in Beach Park. Harriet also spent many years as an Ambassador for Park Place, answering phone calls, questions and assisting with the distribution of monthly taxi-cab tickets. She also lead the Cribbage games at Park Place every Tuesday. Everyone remembers Harriet and her whistle for the start of the Cribbage games. Please know that our thoughts and prayers are with you.
