

Greetings,

I am sure it may be a surprise to not see the familiar face of Waukegan Township Supervisor Patricia Jones, gracing the cover of the Park Place Preview for the first time in over 25 years. For those of you who may not know, after 32 years of selfless, dedicated service to the Waukegan Township community, particularly to you - our valued seniors, she has retired from public office. We salute Supervisor Patricia Jones for her vision and insight to not only establish Park Place Senior Center itself, but to create the programs and services that many of you have enjoyed for many, many years. Job well done Supervisor Patricia Jones!

With that said, please allow me to introduce myself, I am Marc L. Jones, your newly elected Waukegan Township Supervisor! I am excited for the opportunity to serve you and continue the foundational services and programs that were established by our previous Supervisor and expand and enhance them. As these new activities and programs become available, we will be sure to keep you abreast.

The FIRST major announcement I am excited to share with you is the scheduled RE-OPENING of Park Place! Mark your calendars for **Tuesday, May 18, 2021**. Although we will operate at a limited capacity basis and by appointment only, we feel it is a step in the right direction as we begin to reacclimate ourselves and return to a "new normal".

Additionally, we have planned some exciting (local) trips, that are sure to peak your interests. A full listing of these upcoming excursions will be provided inside this edition of the Park Place Preview. Please feel free to contact our Park Place staff with any questions pertaining to programs, services, trips, etc.

Thank you for your support of Waukegan Township – we look forward to seeing and serving you soon!

Warmest Regards,

Marc L. Jones

Waukegan Township Supervisor/CEO

After serving 32 years with Waukegan Township, Supervisor Emeritus Patricia Jones, has retired. Supervisor Jones was elected in 1997 and prior to that worked as a Waukegan Township Administrator for 8 years. Under her tutelage, Park Place Center for seniors was expanded, she created the Eddie Washington Center, the transitional home for men and the Staben House transitional home for women with Children. She is also the founder of the Coalition to Reduce Recidivism, whose mission is to reduce recidivism by assisting ex-offender with tangible skills and employment opportunities. Supervisor Jones has done a tremendous amount in her thirty-two years of service to Waukegan Township. She completed all of this while serving on the College of Lake County Board of Trustees. Supervisor Emeritus Patricia Jones is an exceptional lady, who continues to be loved by all staff and members of this community. With a life that busy, she will certainly find new ventures in her retirement. That is just who she is.

Words from State Rep. Rita Mayfield, District #60:

Patricia Jones has served the Waukegan/North Chicago Community as the Waukegan Township Supervisor for over 30 years.

Under her leadership, Waukegan Township has grown to be considered one of the premier townships in the State of Illinois. Her vision to bring light to the least of these has played an integral role in the expansion of the Park Place Center, a senior citizen's center which provides educational, recreational, and other senior activities and services; she created the Eddie Washington Center transitional home for men and Staben House transitional home for women with children and is the founder of the Coalition to Reduce Recidivism, in which the mission of the coalition is to reduce recidivism by assisting ex-offenders with tangible skills and employment opportunities allowing them to become productive members of the community.

Join me in saluting Patricia Jones and her contributions to our community.

COVID VACCINE WARNING! POSSIBLE SIDE EFFECTS For SENIORS:

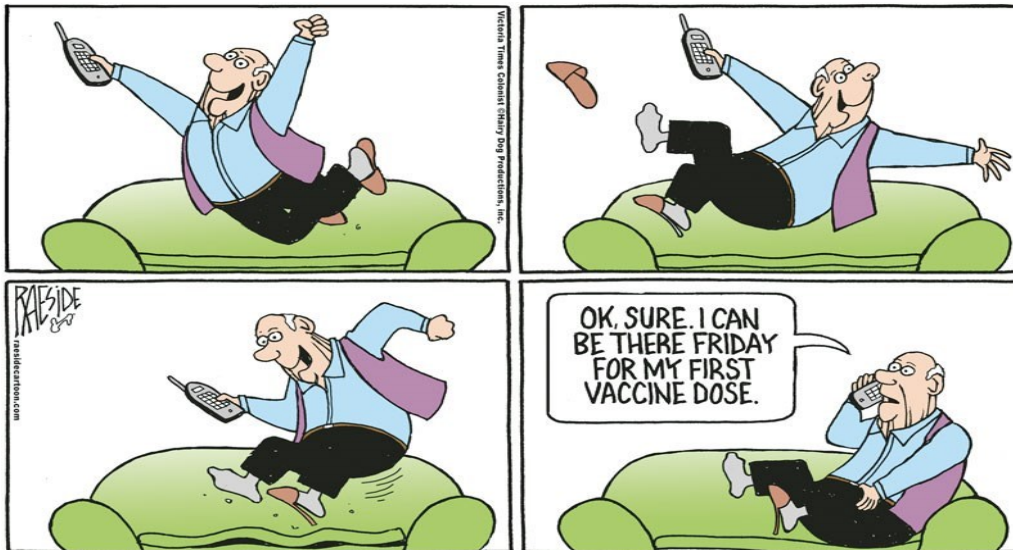

STAR TRIBUNE

Are COVID-19 symptoms different for older adults?

Older adults with COVID-19 may not show common symptoms such as fever or respiratory symptoms. Less common symptoms can include new or worsening malaise, headache, or new dizziness, nausea, vomiting, diarrhea, loss of taste or smell.

Additionally, more than two temperatures >99.0F might also be a sign of fever in this population. Identification of these symptoms should prompt isolation and further evaluation for COVID-19.

For more information visit www.cdc.gov.

Class Details

Cardio and Crunches

Cardio and Crunches is an aerobic and abs class. No equipment needed. Can do exercises seated or standing.

Total Body Blast

Total Body Blast is a resistance training class. Should have a chair and 1 of the following: weights, two water bottles, two cans or a resistance band.

Serenity Stretch

Serenity Stretch is a stretch class for loosening tight muscles. A yoga strap, a long belt or a long towel would be helpful, especially if you're tight.

Chair Workout Warrior

Chair Workouts are great for those needing to sit for some of the exercises or hold on to a chair to exercise. You still will work out like a warrior! Should have weights and a resistance band, but not required.

Functional Fitness

Functional Fitness is a class that covers exercises that help with everyday movements such as bending down, squatting, reaching and lifting. Legs and shoulders are the primary focus of training. Should have weights, but not required.

Cardio Circuit Training

Cardio Circuit Training consists of doing 4-6 exercises from top to bottom and repeating them for several rounds in a row. About 2-3 circuits will be done each class.

Did You Know?

- ◆ Depression affects 15 out of every 100 American adults age 65 or older.
- ◆ Seniors who exercise have better physical health and experience less anxiety and depression.
- ◆ Exercising 3 times a week could be more effective than medication in relieving the symptoms of major depression in elderly people and may also decrease the chances that the depression will return over time.
- ◆ Exercise and strength training helps you look and feel younger and stay active longer. Regular physical activity lowers your risk for a variety of conditions, including Alzheimer's and dementia, heart disease, diabetes, colon cancer, and obesity.
