

# May & June 2024

Dear Waukegan Township family and friends,

**Marc L. Jones**

*Waukegan Township Supervisor*

Spring has officially sprung and we have some exciting ways to make the most of the season! Did you know that **May**, is observed as **Older Americans Month (OAM)**? The 2024 theme for OAM is **“Powered by Connection”**, which recognizes the profound impact that meaningful relationships and social connections have on our health and well-being. Waukegan Township celebrates the Older Americans in our community daily and have a number of trips, workshops and events over the next couple of months to show appreciation to our “seasoned” community - check out our line up throughout this publication!

**May** is full of excitement, beginning with **Cinco de Mayo** on May 5th, which marks the anniversary of the 1862 victory by Mexican troops over invading French forces at the Battle of Puebla. On **Friday, May 10th**, we will recognize the ladies in our lives at the Waukegan Township Mother's Day Brunch. The theme for this celebration is **“Fearless Women Doing Fabulous Things”**. Tickets are available for just \$25 per person. You will find more information about this event on Pg. 3. Finally, we'll bring the May festivities to an end on **Memorial Day**, May 27th, as we look to honor and acknowledge the exemplary men and women who sacrificed their lives to defend the freedoms of each of us while serving in the United States Armed Forces.

**June** is sizzling with awesome events and celebrations, from honoring the outstanding men in our lives on **Fathers' Day**, **Sunday, June 16th** to commemorating the national **Juneteenth** holiday, in observance of the freeing of enslaved African Americans in Galveston Bay and across Texas some two and a half years after President Abraham Lincoln signed the Emancipation Proclamation. Rounding out the highlights of June is the **Summer Solstice** on **June 20th**, recognized as longest day of the year and officially signifying the beginning of summer!

Technology is great, however, it also opens the door to being victim of those looking to “get over” on others. Be vigilant against the tricks and schemes of scammers by following these simple steps:

- ⇒ **Monitoring your credit and checking it regularly.** Did you know that you are able to freeze your credit? Some states charge a fee to freeze or unfreeze your credit.
- ⇒ **NEVER** enabling popups on your computer, or respond to solicitation calls requesting sensitive information, such as social security numbers or passwords.
- ⇒ Did you know that **scammers are more interested in stealing and selling a child's identity than an adult's?** Please cautious with children's social security numbers and other information to ensure they are safe from identity theft.
- ⇒ When you have technical issues with your electronic devices, **ALWAYS use a trusted IT person or company, not an online service.**
- ⇒ Lastly, remember, Medicare will never call you to request your sensitive information - **NEVER give your information to a person you don't know.** These and more tips concerning scams can be found by visiting AARP.org.

Keep in mind that the **Home Sweet Home Lawn Maintenance** program officially begins **Monday, May 20th**. If you are age 55 or better, own or rent your home and have not yet registered, it's not too late! Please call us at 847-599-2932 or email Jerina Hardy at [jhardy@waukegantownship.com](mailto:jhardy@waukegantownship.com) for an application.
