## March & April, 2018

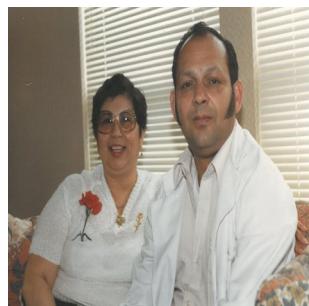

Dear Friends,

Spring is a traditional time of renewal. In our personal lives we can use this time to become renewed by cleaning out the old stuff. Like in fall when we rake up leaves and clean our yard in preparation for the arrival of new flowers and plants in spring, this is a time when we can remove the old and make way for a refreshed sense of well-being.

The world is evolving and you don't want to be left behind. You want to be able to email your friends and family members or even show your grandkids a couple of tricks that you've learned on the computer. To find out more about the **Park Place Technology Center**, refer to page 7 of this newsletter.

The **Park Place Memory Café** is STARTING Wednesday, April 11th. The meeting will take place every 2nd Wednesday 1:30pm - 3:00pm. Join us to share your stories and socialize with others who have concerns about their memory or the memory of a loved one. The Memory Café is for those concerned about their memory as well as people who have early to moderate Alzheimer's disease or other dementia, their family members, and friends.

### Park Place Volunteers of The Month

Hector & Emma Rodriguez were the 2011 Park Place Senior Prom King and Queen. This designation allowed them to participate as the Senior Prom King and Queen for 2011 in the annual 4th of July parade held each year by the Waukegan Park District. They also volunteered for food the annual 2010 Walk for Seniors. They were both avid Volunteers from 2003-2005 and members of our Spanish Support Group. Hector & Emma participated in many of our events such as our yearly Senior Prom, Hawaiian Luau, MLK events, and Holiday Christmas parties. Unfortunately, Hector passed away on Saturday, January 13th. He was a counselor at "NICASA" center in Waukegan where he retired after 30 years of service. We considered Hector a part of the Park Place extended family. He will truly be missed.

1936 - 2018

You will learn more about brain health in a relaxed atmosphere. This is not a support group. It's a chance to make new friends and talk with others. Memory Café funding by CareSmart of Illinois.

April is **National Child Abuse Prevention** month. Park Place will host, in conjunction with the City of Waukegan, "The Blue Kids Project", on Monday, April 17th. The Blue Kids Lake County Project is committed to keeping our children safe and bringing awareness to child abuse.

Park Place has creative selections on Spring items including, baskets, candy, and Sunday hats. Take 10% off during the month of April only. Discount can be used on all merchandise priced \$1.00 or more. Consignment items not included. Don't miss this great opportunity to take advantage of great offers to help save you money!

April showers bring May flowers, Waukegan Township family is here to help you with your springtime needs. It's time to say goodbye to the winter and hello to springtime sunshine!

Waukegan Township is here to assist with our **Home Sweet Home program**. Personal Lawn Care starting Monday, May 21st for seniors 55 or better who reside in Waukegan Township. You must call our hotline at (847) 599-2932 to sign up.

Beginning this spring, Medicare will be sending out new cards to all beneficiaries. The new card removes the current Social Security-based identifying number and replace it with a random number/letter sequence that helps to reduce identity theft and fraud. The Federal Trade Commission (FTC) warns against scammers posing as Medicare "agents" or health care providers telling seniors they need to purchase a replacement card. The new Medicare cards are free, and everyone with Medicare will be mailed a card between April 2018—April 2019. The only action you need to take is to ensure Social Security has your current address, as the new cards will be sent to the address in their files. If you've been solicited by a scammer, report it by calling 1-800-447-8477.
