

This year marks the 80th Anniversary of the US Social Security program.

Did you

know that Social Security is one of the most popular and successful government programs in US history? For 80 years, Social Security has benefited every individual who has paid into it upon reaching retirement age. It has radically reduced poverty in old age and some seniors rely completely on Social Security as their form of income. Social Security reform has become a major part of the 2016 Presidential campaign. Make sure you keep informed of the prospective changes and how they may affect you.

Following in the tradition of Marie Antoinette's words, "Let them eat cake", please enjoy a slice of cake at 12:00pm on Tuesday, September 15th. We are celebrating National Senior Center Month and invite you to visit Park Place to learn more about our programs and services. Park Place provides a variety of services for adults 55 years of age and better and our programs attract seniors with diverse backgrounds and interests. If you are recently retired, or simply want a delightful place to remain active, healthy, and enjoy good fellowship, please stop by during National Senior Center month to check out what we have to offer.

Park Place is looking for volunteers to assist with our raffle on Thursday's Bingo nights from 5pm-9pm. The Park Place Gift Shoppe also seeks volunteers during the day 9am-4pm. Consider volunteering at Park Place

to remain active or to help assist others. For more information call Jennifer at 847-244-9242.
