

May is a time of rebirth and full of new possibilities. It's time to release the seeds of change that have remained dormant inside of you throughout winter. Take time to increase your skill level and introduce a new hobby into your life.

Park Place offers a caring and supportive atmosphere for social, recreational and educational opportunities. Recreational clubs include; woodshop, crafters, quilters, the Red Hat Society, blooming artists, and a book club. Call Park Place at 847-244-9242 for meeting dates and times.

Get your energy pumping with a yoga or soul dance class. Men can enjoy a class designed especially for you. Page 2 has the full exercise schedule.

Brush up on your computer skills with a technology class. So you've got your basic premise for a script, well now it's time to write and get the script out! Take the class, Using Your Computer To Write, Edit & Publish to translate that idea from your computer screen into print. Check out page 2 for the May computer course schedule.

If you think classic movies are slow, boring and colorless, think again. Academy Award winners The Wizard of Oz and Singing in The Rain are part of the May Park Place Classic Movie Lineup. Check out the full movie schedule on page 3.

You may have played card games and billiards your entire life, so continuing to play will enhance your spirit and activate your memory. Games keep the brain active, involve social interaction, and are a good, inexpensive form of entertainment. Studies have shown that playing games may help prevent Alzheimer's disease and dementia, so playing games could actually allow you to live longer. For many people, the amount of time spent alone is difficult, especially when a spouse passes away or when community involvement is cut back due to mobility issues. Park Place can help

with a grief support group. Call 847-244-9242 for meeting day and times.

The upcoming **card and billiards tournaments** will begin in May at Park Place. Games will include; bridge, euchre, pinochle, cribbage, spades, bid whist, chess, and billiards. The entry fee is \$5 and open to adults 55 & better. 1st, 2nd, 3rd, & 4th place **CASH** prizes will be awarded to winners. Light snacks and refreshments will be served. Contestants must register/ by calling 847-244-9242 ASAP during the first week of May.

Friday, May 29th will be about making music and having fun! Park Place is having an Open Mic & Jam Session. Join us for an evening of creativity and self-expression! Acts of all ages are welcome! From dance, poetry to live music to comedy! There is no entry fee. Raffle prizes & food will be sold! Sign-up at 4:30pm -5:00pm. Jam Session is 6:30pm to 7:00pm. If you're feeling shy, just hang out and listen for no charge. For Information call 847-244-9242.

Now that the warmer weather is finally here Park Place is ready for the beautification of our community garden. Come out May 13th from 9-11 a.m. to assist in planting our community garden.

I would like to wish a Happy Mothers Day to all the moms, grandmothers, and caregivers and special recognition to our staff and volunteers. A special Mother's Day thank you to my mother, Dorothy Armsted. How do you describe the person who taught you, mothered you, and raised you to be a decent human being all in one sentence? No words can convey how much I owe to her for raising me to be the person I am today. Mother's Day is a day you get to show your mom how grateful you are that she is in your life. Don't waste the opportunity.
