Springtime has finally arrived. As we enjoy the first signs of spring - green grass, the melting snow, and the return of singing birds, I encourage you to seek all that this season has to offer. Spring is a great time to create, or re-affirm your personal vision for health and well being. Here are a few springtime health tips: Walk a little faster, go to a dance class, or join an exercise class. Wake up earlier and go outside. The sun is shining and staying out later. You might just discover something new. This is the time for expanding energy, not storing. Therefore, heavier, slow-cooked winter meals should increasingly be replaced with briskly-cooked fresh ingredients. Springtime is also a time to support your liver, (the organ associated with spring.) Add some sour foods like vinegar and lemon into your dishes. Spruce up your meals with mint, spring onions, ginger, horseradish, mustard, and pepper. Remember to stay bundled. The winds are blowing stronger this time of year. Even though the weather is getting warmer, make sure you wear appropriate clothing attire.

Park Place has a program designed just men. This is a time to bond with other men and get in shape. The Men's Only Exercise Class starts April 3rd at 10:00 a.m.

When it comes to technology, Park Place wants to keep you updated on the current trends.

Check out our upcoming classes on page 2. April is tax season. Thank you to AARP for providing tax services to Park Place seniors. Dates and times are located on page 2. Park Place has fantastic graduation gifts and cards for all graduates. Check out our creative selections on Easter items including, baskets, candy, & Sunday church hats. Don't miss this great opportunity to take advantage of great offers to help save you money!

April is National Child Abuse Prevention month. Park Place will host in conjunction with the City of Waukegan, "The Blue Kids Project", on Saturday, April 18th at 11:00 a.m. The Blue Kids Lake County Project is committed to keeping our children safe and bringing awareness to child abuse.

Would you like a hand in choosing the movies shown at Park Place? Please consider joining the Park Place Movie Committee. Contact Park Place to find out how you can become involved.
