Celebrating 20 Years of Empowering Families

1997-2017

Page 2 (of 2)

Waukegan Township Staben House provides transitional housing and community enrichment services to homeless women with children. We strive to develop goals with families, assist them in establishing and sustaining permanent housing, increasing skills, income and achieving greater self-determination.

Thanks to Supervisor Jones determination, compassion and vision, a facility for women became a reality. The house is named in memory of the late Milton E. Staben, former Waukegan Township Supervisor, and his son Peter Staben, a Lake County attorney. Both Milt and Peter dedicated their lives to protecting the rights of the impoverished. Since inception Staben House has served 323 families with 623 children.

TESTIMONIAL

My name is Edith, I have three children, Emmanuel, Anahi, and Mariela, and I am current resident at the Staben House. I lived at Staben House focusing on savings and regaining my independence. It was important for me to get a good job and work as much as I could to save as much money possible so I can support my three children the best I can.

I really appreciated working with the Budget Manager because I learned how to live within my means and not overspend my money. As I begin to transition to my own apartment next month, I am excited because I feel that I have accomplished my goals of saving which makes me confident in my independence.

Also, while at Staben House, I learned how to be a better mom and focus on what my children's needs are, making that a priority. It was helpful to have the Child Specialist assist me with the resources I needed to find childcare and parenting programs to help my family.

On Saturday, December 2nd, 2017, the Staben House celebrated its 20th Anniversary with "A Home for the Holidays" Gala at the Doubletree by Hilton in Mundelein, IL. The purpose of the gala was raise funds for services offered by Staben House.

Thank you to everyone who attended and showed your support for the 2017 Home For The Holidays - Staben House 20th Celebration! We appreciate all the volunteers and staff. Everyone helped to make it a fantastic event.

2018 Eddie Washington Center Graduation

We would like to extend a huge thank you to all the speakers and participants that attended the 2018 Eddie Washington Center graduation. We were able to celebrate 15 men transitioning from homelessness, and chemical dependency to lives of sobriety, self-sufficiency, and employment. It was truly a powerful event.

Thank you for your leadership and support Waukegan Township Supervisor Patricia Jones for having the vision to create a facility for men that needed to get back on their feet, that were looking for a hand up and not a handout.

After 22 years of existence, nearly 3,000 men have benefited from the Eddie Washington Center, truly awesome. Thank You to the staff, volunteers, and community partners who work with us to make a positive impact on the lives of these men.

2018 EWC GRADUATION

Did you know?

According to the 2016 U.S. Conference of Mayor's Report, single men currently comprise approximately 45% of the homeless population, 38% are families with children, 14% are single women, and 3% are unaccompanied youths.

The National Law Center on Homelessness & Poverty estimated that in 2016, 1.2 million persons experienced homelessness.

Waukegan Township Eddie Washington Center provides transitional housing for single adult men who are homeless in the Lake County area.

In 1993, Patricia Jones, Waukegan Township Supervisor, Katherine Rothwell-Francis, Lucy Rios, Richard Balmes, and Ann Hughes-Johnson; began the unique and challenging task of renovating the historical Waukegan Fire Station building.

The Eddie Washington Center and 19th Judicial Circuit Specialty Courts (Drug, Veteran, and Mental Health court) have a healthy and mutually beneficial partnership. Which operates off of a referral system that allows the EWC to maximize our services and provide assistance to men which may have otherwise not have been helped.

EWC "gives back" to the community through volunteering with local employers and organizations.

Investing In Our Youth

The Artis Yancey HBCU tour started in 2013 with the passion and determination of Supervisor Patricia Jones with the full support of the Board of Trustees. Her purpose was to encourage students to pursue goals and not to settle for anything less than what they desire. Investing in our youth is an initiative that is crucial to the success of Waukegan Township's future.

In 2015 the tour was renamed to honor an outstanding humanitarian, Mr. Artis Yancey, who served the City of Waukegan as a highly respected Police Detective and Chief of Police as well as the first African American elected to the office of Waukegan City Clerk. Mr. Yancey is also heralded as being the first African American Coroner in Lake County. Artis Yancey shared Supervisor Jones belief in the power of higher education and providing high school students with the opportunity of the onsite experience of touring Historically Black Colleges and Universities within the United States.

The 2018 tour delegation had an amazing time visiting Wilberforce University, West Virginia State University, Bluefield State College, Fayetteville State University, North Carolina A & T, Norfolk State University, Hampton University, Morgan State University, Bowie State University, Coppin State University, Howard University, University of DC, and Central State University.

Life outside of the university is equally important, and during the tour, a variety of historical, educational and cultural attraction was intertwined in each state. Gethsemane Baptist Church, Virginia Aquarium & Marine Science Center, National Museum of African American History and Culture, United States Capitol, Kunta Kinte/Alex Haley Memorial, were among some of the sites the youth were able to see.

Alumni's Gwen Beckwith (Wilberforce) and Mayor Sam Cunningham (Central State) created an exciting visit to their Alma mater. At both universities, the students not only had the red carpet laid out for their visit, but could feel the spirit of the university that Ms. Beckwith and Mayor Cunningham had experienced years ago.
